One child at a time

Our Mission

Develop adult Christians who are responsible citizens

Our Heart

Heal the internal wounds due to abuse, natural disaster, and war.

Our Involvement

Provide for the humanitarian and spiritual needs of over 150 children

One disciple at a time

Our Mission

Equip people to become faithful servants of God and shepherd others into a life-changing relationship with Him

Our Heart

Guide people on how to make biblical-based decisions

Our Involvement

Provide training to enhance the understanding of God's word among our ministry partners

One hope at a time

Our Mission

Develop a more spiritually caring environment at the leprosy hospital and nearby village

Our Heart

Rekindle lives of lepers and families by guiding them toward the everlasting hope of Jesus Christ

Our Involvement

Provide a chaplain at the leprosy hospital to listen to patients' concerns and provide spiritual guidance and more comfort

One village at a time

Our Mission

Meet the urgent humanitarian needs of the villagers in our ministry areas

Our Heart

Transform Buddhists perceptions of Christians by a steadfast presence in the heart of their crises

Our Involvement

Developed the Blessed and Giving food distribution program to aid hundreds of families displaced by the military coup

One Recovery at a Time

Our Mission

Create opportunities for real conversations with hurting people and share the healing power of the Scriptures

Our Heart

Help people, especially children, with recovery from their traumatic event and minimize the negative impact on their future

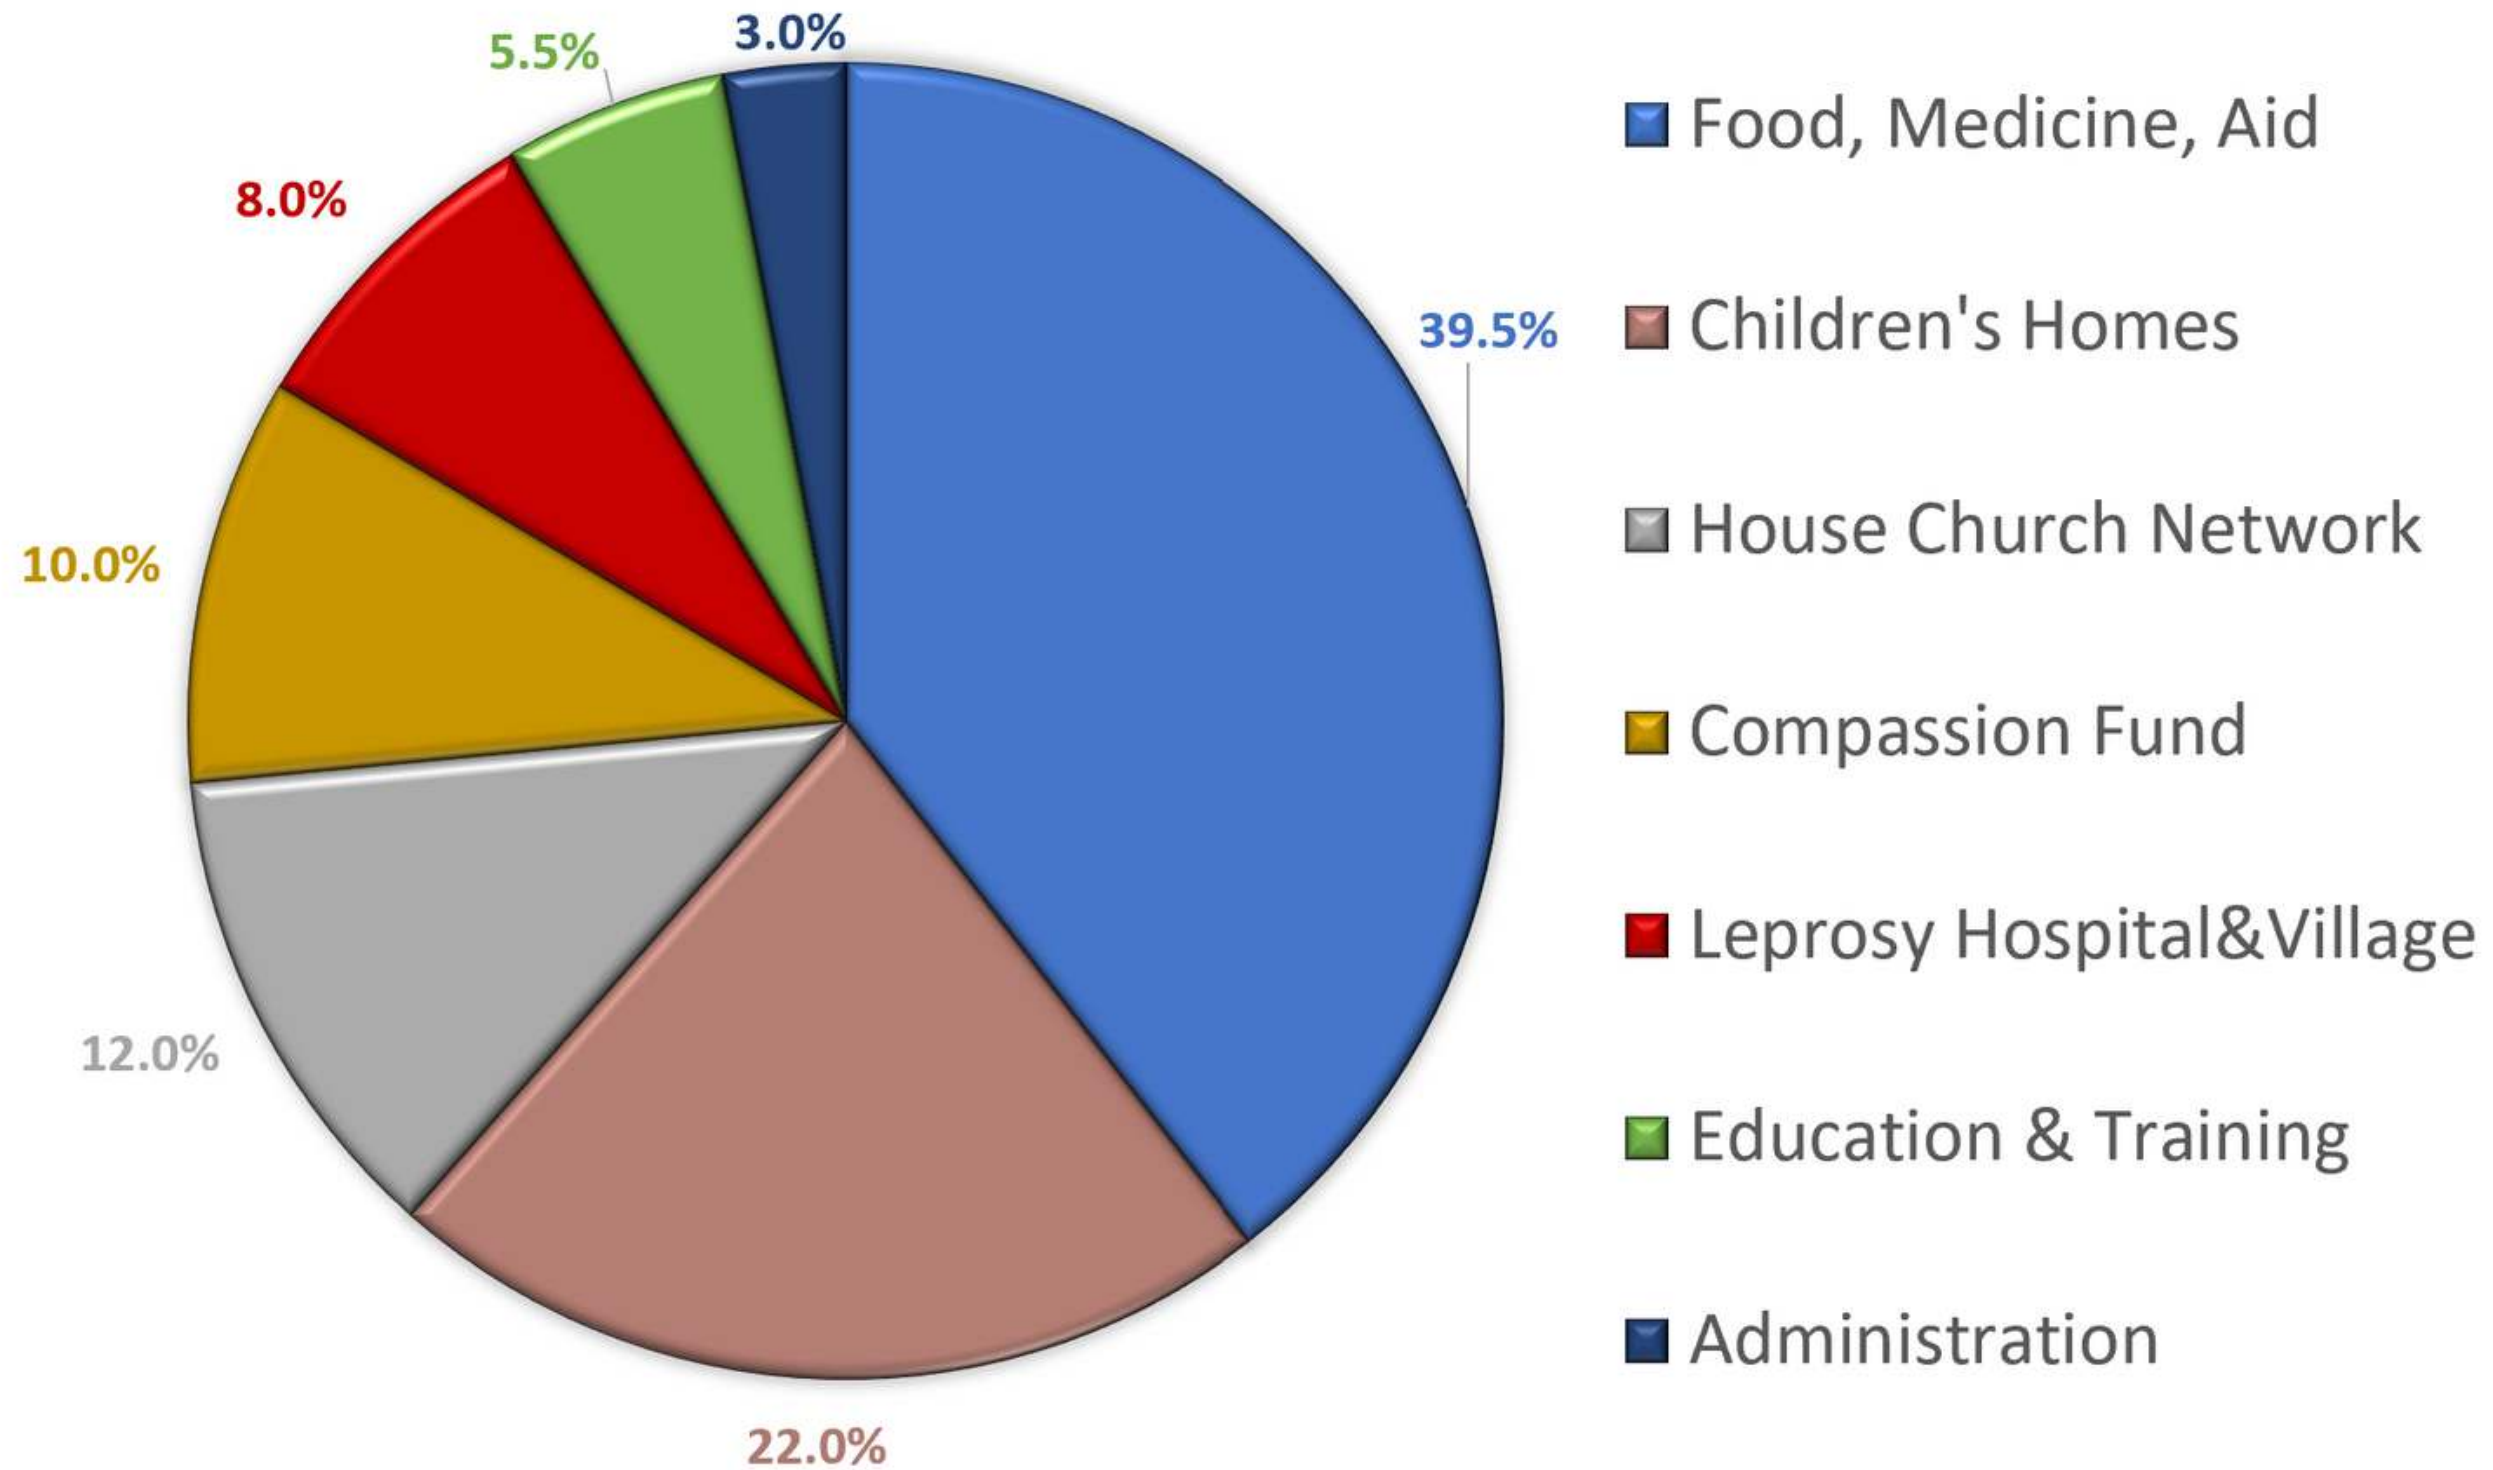

Our Involvement

Partnered with the Trauma Healing Institute of the American Bible Society to train our key staff and ministry partners
